

# BOWLING (SH)

## CCA days and timings:

Wednesday: 3.00 pm to 5.00 pm

*(Additional trainings on Saturdays only during competition season)*

## Venue:

Singapore Swimming Club (main venue) / Orchid Country Club (competition venue)

## Introduction:

Bowling is both an individual as well as a team sport. In every game, while we hone our individual skills and techniques, we also look out for one another's mistakes and correct them in order to improve as a team. Besides training together, we also carry out team-bonding activities that allow us to forge closer ties.

Every year, we participate in the 'A' Division National Schools Tenpin Bowling Championship and selected members will have the chance to meet bowlers from other schools and make new friends! Bowling experience is not required. What's more important is your passion for learning.
